Trial text editing:

To create a learning journal, one must have two things, a **desire to learn**, and a *desire to reflect on one's process for learning*.

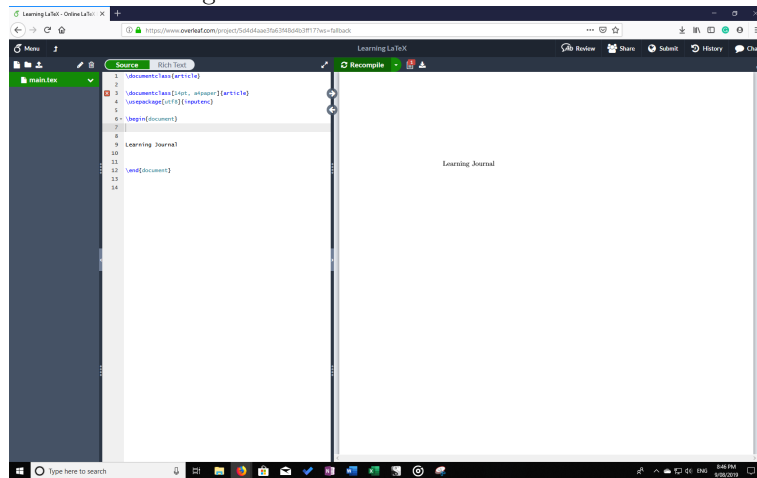

More text to edit:

Here we shall find person's endeavouring to better themselves. *It is called a university*, and should be entered with an appropriate awe.

Here we shall find person's endeavouring to better themselves. It is called a university, *and should be entered with an appropriate awe.*

Abstract

This is an abstract. This section is looking at various formatting functions in LaTeX.

This is where new text begins.

This line will begin another paragraph.

I can use some code
to manually create a line break.
